MŌ TĀTAU KATOA

Welcome to the April 2025 newsletter

Once again we have seen plenty of activity over the last month. Conditions have been pretty good. Andrew and John have been trying to improve their scores for the international Tomboy event, however there have been no more takers. Dave and John competed in the Tuakau MAC open Vintage meeting last month and Ian came along as well. Dave did very well in the Texaco event however, for me it was one of those days I should have stayed home. With only six entrants it rather looks as though the upper north island events are almost extinct. We managed to record some times for the NDC duration event and hope to fly NDC precision this month.

We need a few contributions for the newsletter. If you have a project on the go lets hear about it.

Sunday 25 May 2025

Here is
a little
project
I've
started
on. A
few
more
pix
follow.

Fuselage and tail feathers

Start of wing jigged to incorporate washout

Now starting to look like something those De Havilland tail feathers and the fact it will have two engines give it away as a Mosquito

FOR SALE

The Club has a number of small items for sale like hinges and other small items. Also a couple of gliders and an aerobatic model.

Contact any Committee member for details.

Beginners model for sale

Arising Star

- Complete with servos and ASP 46
- Test flown and ready to fly just requires a receiver and battery pack.
- Another good beginners model.
- Has had a bit of use but has plenty of life left

If you are interested in this model we can arrange a buddy box trial flight.
